

April, 6, 2023

The mayor is asking council approval to create a mayor's taskforce to create annual event to promote ending violence against women and promote 211 services in support of the United Counties of Prescott Russell Safety and Well-Being Plan.

### **Vision**

To have the Municipality of Casselman adopt an official day and time for an annual event that will promote 211 services and promote ending violence against women by developing healthy partnerships with organizations.

### **Mission**

To develop a framework with simple implementation guide to meet the goals listed below.

### **Goals**

- Promote 211 services
- Align with the Prescott-Russell Safety and Well-Being plan
- Develop indigenous healing garden in partnership with indigenous leaders
- Place a plaque on a tree, to show our dedication to end violence and plant wild rose bushes all around as a remembrance
- Incorporate wind phone
- Seating area/gazebo
- Roses to represent women affected by violence
- Speakers – share stories, promote causes
- Educate the public of supporting organizations and service providers

### **Composition**

- Mayor
- One Municipal Councillor
- Organizations that support women
- Municipal staff – optional
